

WINE ENTHUSIAST**93**

POINTS

Editors' Choice**Saffron Fields Vineyard 2013
Pinot Noir**

This very fine effort may well be the best yet from Saffron Fields and consulting winemaker Tony Rynders. Cola, smoke, black cherry and cinnamon scents explode from the glass, and the mouthwatering palate continues along those lines. It's got the balance, length and crisp, defining acidity to continue to drink well through 2021 or longer.
